

SEOULCLINICS

BRING FOREIGN PATIENTS TO YOUR CLINIC.

The concierge platform that finds high-intent international patients and matches them to the right Seoul clinic. You pay only when they book.

SEOUL IS THE DESTINATION. CHOOSING A CLINIC IS THE PROBLEM.

LANGUAGE

Korean-first sites. Patients can't tell who supports English.

PRICING

No prices up front. They can't compare, so they drop off.

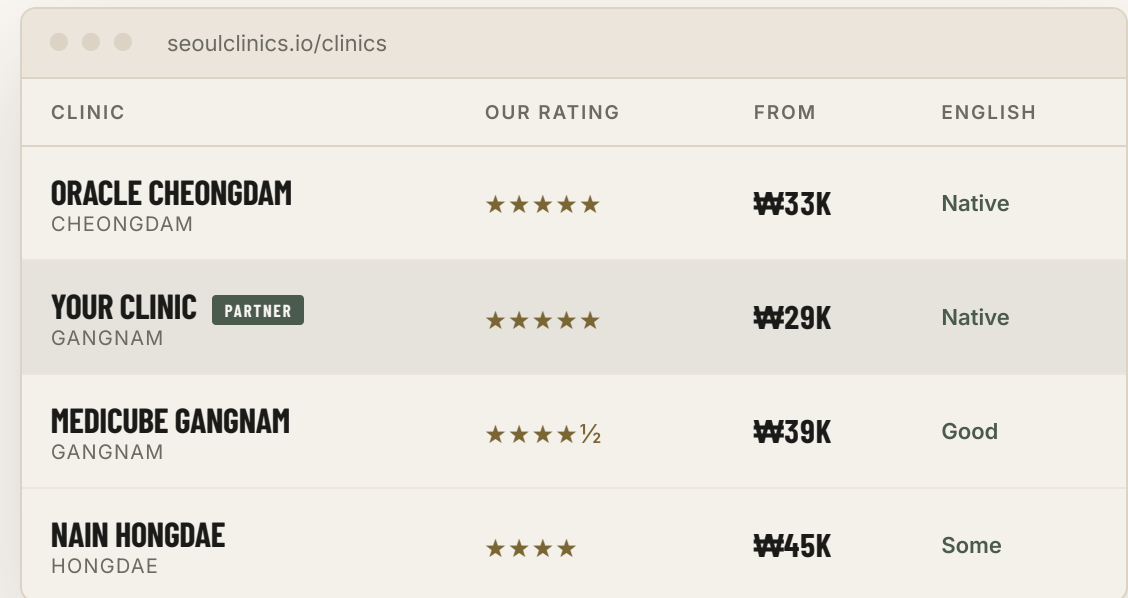

TRUST

Hundreds of clinics, no neutral guide. They pick blind.

THE NEUTRAL GUIDE THAT MATCHES PATIENTS TO YOU.

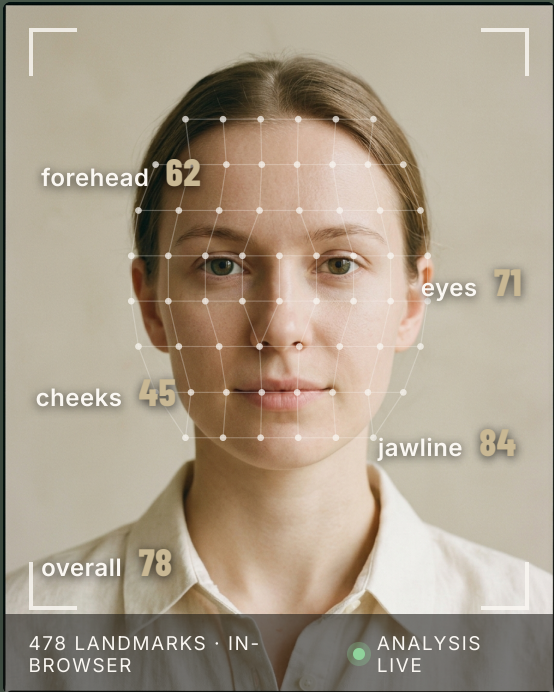

Transparent pricing, a 60-second quiz, an in-browser face scan, and a human concierge. We do the choosing, then hand you the ready-to-book patient.

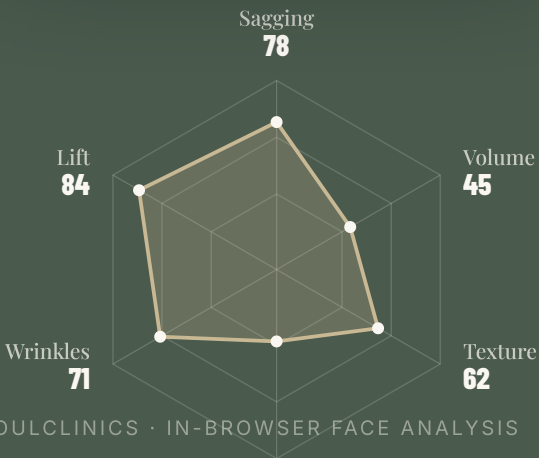

A screenshot of a web browser displaying the URL seoulclinics.io/clinics. The browser window shows a table with four columns: CLINIC, OUR RATING, FROM, and ENGLISH. The table lists four clinics: ORACLE CHEONGDAM, YOUR CLINIC (marked as a partner), MEDICUBE GANGNAM, and NAIN HONGDAE. Each row includes a star rating, a price starting from a crossed-out amount, and a language proficiency level.

CLINIC	OUR RATING	FROM	ENGLISH
ORACLE CHEONGDAM CHEONGDAM	★★★★★	₩ 33K	Native
YOUR CLINIC PARTNER GANGNAM	★★★★★	₩ 29K	Native
MEDICUBE GANGNAM GANGNAM	★★★★½	₩ 39K	Good
NAIN HONGDAE HONGDAE	★★★★	₩ 45K	Some

A real, in-browser scan maps 478 landmarks and scores six aesthetic axes, turning a curious visitor into your highest-intent lead.
